

# TempTale<sup>®</sup>4

## USB Interface Plus Reader

The USB Interface Plus Reader provides the communications link between a TempTale<sup>®</sup>4 monitor and a standard USB port. It is used for downloading time-and-temperature data recorded by the monitor to your PC for viewing, analysis and archiving.

The USB Interface Plus Reader includes a software CD containing a USB driver that allows it to work on Windows<sup>®</sup>-based PCs. Once the USB driver is installed, the USB driver creates a virtual COM port on the PC, ready for connection to the USB Interface Plus Reader.

### Product Specifications

<b>For Use With</b>	All TempTale 4 Monitors
<b>PC Connection</b>	USB Port
<b>Minimum System Requirements</b>	PC with <ul style="list-style-type: none"> <li>• Windows<sup>®</sup> 7 and higher</li> <li>• CD-ROM drive</li> <li>• USB Port</li> <li>• One or more of the following Sensitech applications:               <ul style="list-style-type: none"> <li>– TempTale Manager<sup>®</sup> Desktop</li> <li>– ColdStream<sup>®</sup> Cold Chain Manager</li> </ul> </li> </ul>
<b>Cable Length</b>	1m
<b>Typical Dimensions</b>	4.6" L x 2.75" W x 1.4"H 11.7cm L x 7.0cm W x 3.6cm H
<b>Device Weight</b>	3.8oz (107.7 grams) (approx.)

Sensitech Inc. is focused on delivering supply chain visibility solutions that track, monitor and protect products for global leaders in the food, life sciences, consumer goods, and industrial markets. Our solutions are focused in three key areas: quality and compliance, supply chain security, and logistics performance management. Quality and compliance solutions address temperature-sensitive, complex supply chains focused on delivering the highest quality possible, while our supply chain security solutions help to mitigate risks associated with theft, diversion and chain of custody. Sensitech's logistics performance solutions deliver origin-to-destination, real-time transparency to any in-transit journey. Sensitech Inc. is an ISO 9001:2008 company, headquartered in Beverly, Mass., with more than 35 sales, service and distribution locations around the world. Sensitech is a part of UTC Climate, Controls & Security, a unit of United Technologies Corp., a leading provider to the aerospace and building systems industries worldwide.
